MISSION

Pickens County Meals on Wheels (PCMOW) exists to combat the effects of hunger, loneliness and isolation on senior citizens living in Pickens County, and to provide a lifeline through the use of caring volunteers.

Pickens County Meals on Wheels is a 501(c)3 non-profit charitable organization.

VISION

Our vision is to provide a continuum of care for active, aging and homebound individuals by providing daily meals; social, cultural and educational activities. By connecting individuals and their families to the services they need we ensure they are a valued member of our community.

MEAL SERVICE

The meals served are a standard diabetic meal which is low-salt, low-fat and provides one-third of the daily nutritional requirements. Special diets include: chopped, purée and renal.

Meals are planned on a four week rotating menu and consist of protein, starch, fruit, vegetable and choice of milk or juice. We are unable to accommodate likes and dislikes.

Meals on Wheels complies with all health, sanitary, and food safety regulations. However, once you (or other responsible party) have accepted the correct meals, you assume responsibility for proper food handling and storage. Please eat or refrigerate your meal right away.

CLIENT CONTRIBUTIONS

Our clients are the reason we exist and are the motivating factor in all that we do. Every day we strive to provide the most cost effective service to help individuals “age in place” while maintaining their health, independence and quality of life. And each year, it takes hundreds of volunteers and thousands of donors, of all levels, to make this happen.

Client contributions are important. Daily, weekly, or monthly contributions toward the cost of meal service allow us to continue providing meals to all who need them.

Services will not be denied to anyone who is unable to help with the cost of the meal; however, it is important that everyone give at a level they can afford. Our case managers work with each individual to determine a level of support that meets their budget. All contributions help us provide services to all that need them.

INCLEMENT WEATHER

We follow the Pickens County School District's schedule during bad weather.

- New Year's Eve & New Year's Day
